What is a Services Network Meeting?

These meetings are an opportunity to share information and to gain knowledge about local services and supports to improve outcomes for people in your service.

At the meetings, everyone has the opportunity to summarise their service, and identify resources available as well as the referral pathways.

All practitioners in the local community, welfare and legal professions are welcome to attend so please forward this information throughout your networks. These sessions are free with light refreshments provided.

**Please RSVP indicating the location
