

CARERS VICTORIA

Workshop

Communicating with professionals

Wednesday 11th October 2017

Portland Business Hub
33 Percy Street, Portland

10.00am to 12noon

Communicating with professionals can be overwhelming for some carers. This workshop provides practical skills to help build your confidence when working with services.

Key messages:

- Barriers when communicating with professionals
- Strategies to support good communication
- Feedback and complaint processes

These sessions are not suitable for professional development.

Carers Victoria can provide professional development on these topics.

If you are interested please contact Carers Victoria on 03 9396 9500.

FREE OF CHARGE

for booking and further information contact Mpower on 55 618 111
